

SPECIAL BENEFITS

§ 3.800 Disability or death due to hospitalization, etc.

(a) Where disease, injury, death or the aggravation of an existing disease or injury occurs as a result of having submitted to an examination, medical or surgical treatment, hospitalization or the pursuit of a course of vocational rehabilitation under any law administered by the Department of Veterans Affairs and not the result of his (or her) own willful misconduct, disability or death compensation, or dependency and indemnity compensation will be awarded for such disease, injury, aggravation, or death as if such condition were service connected. The commencing date of benefits is subject to the provisions of § 3.400(i).

(Authority: 38 U.S.C. 1151)

(1) Benefits under paragraph (a) of this section will be in lieu of any benefits the veteran may be entitled to receive under the Federal Employees' Compensation Act inasmuch as concurrent payments are prohibited. (See § 3.708.)

(2) Where any person is awarded a judgment on or after December 1, 1962, against the United States in a civil action brought pursuant to 28 U.S.C. 1346(b), or enters into a settlement or compromise on or after December 1, 1962, under 28 U.S.C. 2672 or 2677, by reason of a disability, aggravation or death within the purview of this section, no compensation or dependency and indemnity compensation shall be paid to such person for any month beginning after the date such judgment, settlement, or compromise on account of such disability, aggravation, or death becomes final until the total amount of benefits which would be paid except for this provision equals the total amount included in such judgment, settlement, or compromise. The provisions of this paragraph do not apply, however, to any portion of such compensation or dependency and indemnity compensation payable for any period preceding the end of the month in which such judgment, settlement or compromise becomes final.

(Authority: 38 U.S.C. 501)

(3) If an administrative award was made or a settlement or compromise became final before December 1, 1962, compensation or dependency and indemnity compensation may not be authorized for any period after such award settlement, or compromise whether before or after December 1, 1962. There is no bar to payment of compensation or dependency and indemnity compensation and no set-off because of a judgment which became final before December 1, 1962, unless specified in the terms of the judgment.

(b)(1) If death occurred prior to January 1, 1957, the benefit payable will be death compensation. See §§ 3.5(b)(2) and 3.702 as to right of election to dependency and indemnity compensation.

(2) If death occurs on or after January 1, 1957, the benefit payable will be dependency and indemnity compensation.
